EDUCATION

IGNATIUS AJURU UNIVERSITY OF EDUCATION - Port Harcourt, Rivers State, Nigeria
Computer Science BSC
Started: November 2022   **Expected Graduation:** September 2025

PROJECT EXPERIENCE

STORYBOOK SOCIALCHAT - Enables a user to connect with their loved ones, share images, chat with friends and family, send voice notes and leave no memories untold.
JavaScript, ReactJS, Material-UI, Redux, CSS, and Firebase(BaaS).
https://storybook-04.web.app/

WEBBUILDR CMS - I was the Team lead Assistant, I collaborated with the frontend Team for development, and I was in charge of creating issues and assigning them to the frontend team members using GitHub. I developed the Signup and Template Pages. Worked with backend developers and UI designers for quick changes. This WebApp lets you quickly bootstrap a website by drag and drop, using available templates.
HTML, CSS, API parsed as a template (frontend) and Python (backend)
